

LOOK for the WaterMark

**...by searching
the WaterMark
database.**

In Australia, most plumbing and drainage products must be WaterMark certified. The WaterMark means that products are safe, fit for purpose and suitable for use.

Look for the **W** before you buy or install plumbing and drainage products at:
watermark.abcb.gov.au/look

WaterMark is a registered certification trademark owned by the Australian Government, and the State and Territory Governments of Australia.
